I was very happy with everything you have done for Mum's funeral. Friendly and helpful all the way, keeping me informed with everything. Thank you Jackie for your calming voice and getting us in touch with Richard the celebrant who did a great job. Thanks also to George who looked after us on the day, very professional and friendly keeping me well informed with everything on the day. No rush and very respectful. Thank you to all at Terry's for all the information you provided by phone calls and emails making a very hard time easier.

All the staff are very helpful, Jacky sorted the funeral and nothing was ever too much to ask. The drivers on the day we're fantastic couldn't have thanked them enough

From the very first conversation to the final Farewell, the care compassion and the professionalism shown by the funeral directors was nothing short of exceptional.

During one of the most painful times of our lives. They treated my mum and our whole family with dignity kindness and genuine empathy.

Thanks to them my mums funeral was beautiful personal and exactly what she deserved.

Special thank you to Jane.

We will always be grateful for the respect warmth and support they gave us.

I cannot recommend them highly enough.

Terrys have catered for both my parents Funerals. Mum very recently. The balance of professionalism (from years of family experience), compassion and attention to the wishes of the deceased and family, enable them to quietly lead you through what is one of the most difficult days in your life.

Their presence was gentle and calming as they fulfilled their promise to "look after us on the day" In fact, they looked after us from the day Mum passed away, guiding us through the process.

Handing over a loved one is extremely difficult, but as I had experienced handing over Dad to Terrys, I knew that I could rest easy, knowing Mum is with (what felt like) family, until they brought her back to us on the day of her funeral.

I would 100% recommend Terrys.

From start to finish they were excellent. Very compassionate, didn't rush me, extremely helpful and really cared about how I felt and what I wanted. They made my mum look beautiful, I was extremely nervous of seeing her but I need not have worried. They made this sad occasion stress and worry free. Thankyou so much x
